Summary of Proposed Amendment

Amendment L.001 removes the requirement that the Department of Corrections notify victims of changes to an offender's projected date of release from confinement, including the parole eligibility date.

Fiscal Impact of Amendment

By removing the requirement that the Department of Corrections notify victims of changes to an offender's projected date of release from confinement, the amendment removes General Fund costs associated with providing these notifications estimated at \$762,107 and 7.6 FTE in FY 2023-24 and \$869,793 and 10.0 FTE in FY 2024-25.
